

Access Assessment

Access Assessment is recruiting company operating in SK, CZ and HU which is now searching suitable candidate, ideally Eastern European working in DK farms, for a leading Danish agricultural company operating in Slovakia.

Farrowing manager (Slovakia)

Brief job description:

Supervising team of ca 10 stable workers in farrowing section of one of the biggest sow farm in Slovakia (over 4.000 sows). Planning, organising, controlling and execution of daily production routine from feeding, cleaning, moving, selection of pigs, giving medicine, helping with sow farrowing, etc. Manager works together with his people on daily shifts, it is not an office work.

Requirements:

- min. 2 years practical work experiences in bigger pig production farm with farrowings in DK
- ambitions and skills to manage team of people (planning the daily work, giving the tasks, checking the work done, giving FB, teaching of new people, etc.)
- goal orientation
- command of EN or DK language in combination with one of slavic languages is a must, e.g. SK, CZ, PL, UA or HU eventually
- ability to move and work in Slovakia

We offer:

- challenging work in stable Danish company abroad, chance to improve results
- interesting package + accommodation paid by company
- further trainings, e.g. in people management and/or languages (if needed)
- opportunity to participate on Danish Farmers Abroad education program paid by company
