Havana, 21 July 2022.

Mr. Johannes Hansen  
President  
Danish Farmer Abroad (DFA)

Dear Sir

I would like to take this opportunity to invite you to participate in the XXXVIII Edition of the Havana International Fair (FIHAV 2022), the most important multi-sector trade fair held in Cuba and one of the most representatives in the Caribbean and Latin America. This event will be held from 14 to 18 November this year at the EXPOCUBA fairgrounds.

FIHAV is an established trade fair that has been held annually since 1983. Due to the health situation caused by the COVID-19 pandemic, the traditional event did not take place in 2020 and 2021. For five days, EXPOCUBA will bring together exhibitors, businessmen and technicians representing all the actors and sectors of the Cuban economy, together with a varied international trade show.

FIHAV 2022 will host the V Investment Forum, a platform for bilateral meetings between Cuban and foreign businessmen, to share ideas and to raise challenges in terms of attracting investment.

The program also includes activities to promote Cuban exportable products and services, business rounds, seminars, conferences, business forums, the celebration of National Days, as well as the Virtual Business Forum, which will facilitate interaction with entrepreneurs who are not travelling to Cuba on this occasion.

It will be an honor for us to welcome you and an opportunity to exchange and strengthen bilateral relations between both organizations.

We look forward to welcoming you.
