

Rubenlund Agro A/S

Do you find it challenging to have the responsibility of a full line pig production?

Rubenlund Agro A/S is looking for a production director, who independently can contribute to and develop our pig production.

Why Rubenlund Agro A/S?

- Because we are a larger growth and develop focused agrocompany with 1.900 sows full line with a sale of over 60.000 slaughter pigs under expansion and around 1.750 ha cropping.
- As director you'll have the responsibility of our pig production and have existing and very diverse days.
- Your team is approximately 20 colleges who ensure good results with our values and motivation.
- You will work on strategic, tactical and operational plan, and be a part of our management group.
- Personally, professional and management development is our focus.
- Place of residence central and in some of Denmark's most beautiful nature.
- Because you want to be a part of company who always moves.

Vi expect that you have:

- Management experience.
- Relevant education.

You're able to:

- See yourself in relation to our vision, mission, and values.
- Be a dynamic, empathic, result oriented and create value professionally and personally.
- Manage and motivate colleagues to work towards the task.
- Be a smaller part of daily jobs and keep the overview.
- Have the dialog about strategic task for own responsibility and the group.
- Contribute to a sustainable economically, environmental, and socially future.

The job is wished obsessed in 2023 or after another agreement.

Inquiry regarding the job can be made to production director Dennis Gormsen +45 2463 3094 or owner Ulrik Bremholm + 45 2020 1285 (ulrik@bremholm.dk). Look for more information at www.rubenlundagro.dk.
